

IGA Appointed School Check List

1. The purpose of this check list is to find our more about your school and how it compares to the IGA 'suggested' requirements.
2. Safety First for dogs & students and Cleanliness are essential to the IGA evaluation.
3. The appearance of the business must be of a Professional School not a Grooming Salon.

IGA SUGGESTED requirements		Tell IGA what is in your School? (write not applicable if you do not use it in your school) Please sign your name at the end of this page
